Remember the Pede who tried over and over to tell us how the French Yellow Vest movement was siphoned off and away from important areas?

He tried and tried to tell us and posted the information over and over, and the mods would not sticky it no matter how many times we asked.

You have to get a big crowd together and just push through.

Yeah, what the hell?

I was one who posted that in an attempt to get it stickied, mods did nothing. That was vital information that needed to get out to our foot soldiers. That photo never got stickied.

Stuff like that really makes you go 🤔

I see it happening today, there is already multiple rallies in DC.

That Yellow Vest post was excellent and it seems we might be falling for the tricks it warned about.

Tackled a guy for not complying, even though he was. Took him away in cuffs

Did the crowd allow that to happen, no one objected, no one helped him defend America?

Hmmm...

Take back our monuments that WE the PEOPLE paid for! Why can antifa burn, deface, destroy OUR public property but we cannot peacefully stand in its presence?? Time to civilly disobey!!!!

You're only allowed inside the perimeter if you plan to vandalize the monument. Like Antifa or BLM

The monument in a small group is not the target.
